

## CALL FOR APPLICATIONS

### National Excellence in Teaching and Learning Awards 2017

The CHE-HELTASA teaching awards committee is calling for applications for the National Excellence in Teaching and Learning Awards. In 2017 these awards are supported by a grant from the Department of Higher Education and Training.

Universities are invited to nominate up to three individuals or teaching teams for these prestigious national awards. The awards provide an opportunity to value the reflective, critical and contextually aware teaching that happens across our diverse sector. The importance and significance of these awards is heightened given recent events and the renewed imperative for transformation in higher education in South Africa. A maximum of five awards will be made.
